COMMODORE CHRIS WRIGHT REPORT:

Well, only the hard-core boaters still have their boats in the water (fishermen). As soon as all the boats are out, I will be working with Dan Riordon to label all the power panels on the docks.

I want to thank all of you who supported me with the fund raiser, Fast Cash. The net proceeds helped with the costs of the Commodore's Ball, held on Oct 21.

What a year this has been! The docks are looking great. We have a new roof on all of the buildings. There's a fuel spill kit set up by the gas docks and the gas docks are looking great with all the new Poles and lines. We have a new shed that replaced the old one, a new fence, a new ceiling in the pavilion with new lights and if you have not been upstairs, you'll be surprised to see it looks like a new club up there.

Many hours have gone into the club this year and my hat is off to all of you who worked so hard to make the club better. Thank You!

The October General Membership Meeting was the first meeting without a quorum in 20 months. Our November Meeting is an important one because it will be our annual nominations for many club positions that will be open for 2024. If you qualify, please consider submitting or accepting a Board position.

I want to thank everyone that has supported the club and our events. Swan needs your continued support both now and in the coming years!

Thank you.

Commodore Chris Wright

Sunshine Lady Report

Well, the summer is over, and another season of boating has ended. Hope everyone enjoyed this beautiful weather. Sunshine sent a get-well card to Lady Sally Curcio and then sadly had to send a sympathy card to Sally's family for her passing. She was such a wonderful part of Swan and will be greatly missed. Let's get ready for Fall and the crisp fresh air it brings.

Sunshine Lady
