COMMODORE MAX THOMAS REPORT:

Thursday Membership meetings continue to be successful with great attendance.

Next Membership Meeting will be June 9 at 7 pm.

May was a busy month! We held our first Paint and Sip since COVID. Everyone had a wonderful time, thanks to Sandy Nelson for chairing. Thanks to Jim Carpenter for heading up our Mother's Day Breakfast! We have had few Friday night steak roasts to kick off the season. Even though the weather was difficult, our Shakedown Cruise with MBC and DBBC was a tremendous success, thanks Bill Weller for organizing.

Mark your calendars! The Annual Walleye Fishing Tournament is June 18; signup sheets are available behind the bar.

Regatta is a little more than a month away July 1st thru 4th. This is a major event for the club, and to be successful we need help from every club member. Signup sheets are in the Vice's corner, please take a look and sign up for a few hours during regatta.

The Kid's Club is moving along with some fantastic improvements! During our first steak roast on May 20, we had games and crafts for the kids. The kids had a great time! Sandy Nelson has been doing an amazing job running the kids club. Sandy could use some help during steak roast going forward and we could always use some donation's. Please reach out to Sandy if you can assist.

Reminder:

2022 Membership Cards and the \$100 minimum spending vouchers are behind the bar. You must get these from the bartender, you and the bartender must sign that you received your vouchers. These vouchers are basically cash that can be used at the Bar, a Steak Roast or Clothing.

Treasurer's Report:

Hello SBC Members,

The system in place today is working! Thank you all for the support with the Swan Dollars.

The Swan Boat Kids Club had its first meeting coincide with the first steak roast. Lots of smiling faces were seen from the sand art and other activities organized by Sandy Nelson. Updates and additions to the outdoor park have taking place with so much support to ensure the kids make fond memories.

Things are operating smoothly and I anticipate they will continue to for the foreseeable future.

Kindly,
